Dear Staff, Pupils and Parents of Northampton NS,

Thank you for supporting Galway Hospice through your Christmas Kindness Day in aid of our care. On behalf of Galway Hospice, I would like to thank all who supported your fundraising and helped to raise a wonderful €640. Please see your official receipt below.

Galway Hospice provides care, support and compassion to patients and their families at the most difficult times in their lives. Your support helps us to be there for those who need us.

After a whole day of kindness and raising so much money for the hospice, I hope that Santa is very good to all the pupils in Northampton!

Thank you for your support of Galway Hospice. Tá muid fíorbhuíoch.

Yours sincerely,

Fundraising Team
